Please join us virtually on June 9th or June 18th for an engaging discussion surrounding the Norman Wells Community Plan & Zoning By-law renewal. In addition to the on-going public survey (www.survey-monkey.com/r/hwsurvey), we want to hear the community’s voice on key topics to ensure the well-being and sustainability of this town. We are hosting two meetings, allowing you to choose the date that works best for your schedule. With your participation, each event will be unique and inspiring!
